BLACKGOLD Christmas

2020 Decorating Guide

Thank you for participating in the Glenpool Chamber of Commerce third annual BlackGold Christmas event.

- You may begin decorating as early as Sunday, Nov. 22, in BlackGold Park (or whenever trees are up)
- Your sign will be in front of your tree
- LED lights only; no more than 10-15 strings
- You will need one 50-foot, #12-gauge, heavy-duty rated, outdoor extension cord
- Use expendable, waterproof decorations attached with zip ties, pipe cleaners, string or other secure items — there will be **no** 24/7 security
- Step ladders suggested for decorating
- Trees will be regularly checked, but it is highly recommended you check your tree periodically for fallen ornaments, light outages and other damage

For more information, contact the Glenpool Chamber of Commerce (918) 322-3505, or info@glenpoolchamber.org.

The chamber reserves the right to limit or refuse the participation of inappropriately themed trees.
